

**The electoral programme of the Republican Social-Political Movement
"Ravnopravie" 2005**

A positive settlement of the lots of problems faced by our society in the past 15 years will particularly depend on winners of the March 6 parliamentary elections. 305
We rely on the support of electors of the republican social-political movement Ravnopravie. 305

Our candidates enjoy a lot of trust from population. If elected in the parliament, we are sure that our representatives will be able to focus their efforts and to fulfil the following tasks: 305

- elaboration and implementation of a system of measures needed for protection of rights of national minorities in Moldova; 7051 802
- struggle against poverty; insurance of an average salary on country needed for a normal living; pensions for veterans and indemnities for disabled people up to the cost of the minimum consumption basket, plus annual indexation; 504
504
504
- reduction of public tariffs; reduction of prices of natural gas and electricity exported to Moldova, after negotiations with the Russian Federation; 412
412
- corruption eradication; 304
- restoration of relations with Russia, Ukraine, Transnistria; 1011 8013
- introduction of Russian as official language; introduction of Ukrainian and Bulgarian as official languages in regions populated by Ukrainians and Bulgarians; 607 8014
6071 8011
- settlement of the problem related to Moldova's entry in the Russia-Belarus Union and the single economic space created by Russia, Ukraine, Belarus and Kazakhstan; 1011
1011
- resistance to plans of the Communist Party of Moldova (PCRM) Christian Democratic People's Party (PPCD) and Democratic Moldova Bloc (BMD) regarding Moldova's union with Romania through Moldova's entry in the European Union and NATO; 10231
- a fair settlement of the Transdnistrian conflict; 302
- obstruction of PPCD, PCRM and BMD to join the NATO; to create an anti-Russia assault camp in Moldova; 105
1011
- proportional insurance of representatives of Russian-speaking citizens in state power bodies and authorities of all levels; 607 8012
- elaboration and implementation of new state symbols of Moldova — escutcheon, flag, anthem; 601
- restoration of state industry and agriculture with the support of Russia, Ukraine and Belarus; 1011
- protection of economic interests of domestic producers; reduction of interventions of fiscal bodies which stop the entrepreneurial activity, rather than encourage higher budget incomes; 406
401
- encouragement of small- and medium-sized businesses through reduction of fees and income tax down to 13 percent as available in Russia; 402
- reintroduction of retirement age of 55 years for women and 60 years for men; 504
- protection of social-economic rights of Moldovan nationals who temporarily work abroad; 7051

- acceleration of reimbursement of financial deposits of population in banks; ✓
- elaboration and implementation of a state programme on long credits for young families, in order to help them buy housing by instalments within 25-30 years; ✓
- higher number of state-funded scholarships in educational institutions, including for Russian groups; a two-fold rise by 2007; ✓
- efficient protection of mother and child, significant growth of state single payments for the birth of child; ✓
- reintroduction of free medicine; ✓
- restoration of the professional education system; ✓
- insurance of graduates from institutions of higher learning with jobs, after example of Belarus. ✓
